

2009 Light Car Club of Canberra Treasure Hunt Entry Form

The 2009 Light Car Club of Canberra Treasure Hunt is a social, fun and laid back event for club members, friends and family, and even the kids. We're also donating all proceedings from the hunt to Teamlife Transplant Australia. This is a great charity that looks after transplant patients, families of patients, and people awaiting transplants. The organisation also drums up awareness of being a donor yourself. It's a fantastic organisation and we're proud to help them out.

The way we have designed the treasure hunt rally is to think outside the box, use common sense and a lot of the time, read the clue carefully taking in the grammar and wording.

Using the location clues and map that you will be given on the day and local knowledge, you make your way around Canberra ending up at different destinations and answering questions related to that location or getting a stamp much like a passage control. It might be a park, reserve, building, playground, memorial, oval, BBQ area, river, etc. You will get a point for each location you get to and point for answering the question for the location. There are bonus questions and other things that will help u get more points too.

Basically how the clues work is the 1st and sometimes 2nd sentence is the location clue and the last sentence is the question for the location but this one sometimes helps you determine where it is as well.

Eg. Where we remember on the Parade. The men and women who fought to stop the raid. Find the name of the ride whom Simpson went to work with pride.

Location would be War Memorial – Anzac Parade, and the answer is Simpson's Donkey - Abdul, Murphy or Duffy.

Numbers of people in each car only depend on the legal limit for that vehicle. You can even just do it yourself but its easier and more fun if there's more. Also try to include a long time local or someone with good local area knowledge and a current Suburb/Street Directory.

The event will start in the carpark at the Woden Tradies Club in Phillip on Furzer St with the first car leaving at 10am on the 16th August, please be there by 930am. From there you will travel around Canberra and ending at some point for a BBQ. Along the way, we'll have little games for the kids, drinks for everyone and fun for all involved. The \$30 entry covers everyone in the car and will get you drinks, BBQ and special prizes.

Team Name: _____

Car: _____

Entry Fee \$30 (per car) Paid: Y / N
