*Proudly Coordinated by*

Dear Sir / Madam

The 2007 Nissan/Datsun Nationals were held over the Easter weekend at Phillip Island and was enjoyed by many enthusiasts. This event is held every two years and since it's inception has been hosted on a rotating basis by the Nissan Datsun Sports Owners Club, the Sydney Z Car Club and the Z Car Club of Queensland.

We are excited to announce the 2009 Nissan Datsun Nationals will be held in Queensland and the Z Car Club of Queensland has already begun preparations. The event is to be based in the famous granite belt town of Warwick Qld and will utilize surrounding facilities including local wineries, restaurants and the Morgan Park race track facility.

We invite you to be involved in the next nationals. The earlier we can register the number of people interested the more value we can provide to those attending due to better sponsorship, bulk discounts etc. This will result in a more successful and cost effective event for everyone.

We have prepared a short promotional CD/DVD highlighting some aspects of the event. To receive this free CD/DVD please register your interest using the following form. Be quick as a limited number of CD/DVDs are available.

Yours truly,

Greg Alderding  
Secretary  
Z Car Club of Queensland.
